June 6, 2003

Sir:

Responsive to the February 6, 2003 Office Action, the due date for response having been extended one (1) month, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE SPECIFICATION:

Please replace the paragraph beginning on page 1, line 18, with the following rewritten paragraph:

a' --Generally speaking, there are two types of bearings: the hydrostatic bearing and hydrodynamic bearing. The hydrostatic bearing is normally a bearing with a hydro lubricant. When the
